

ELSA WERTH PERSPECTIVES PROVISOIRES

exposition du 17 mars au 22 avril 2017
vernissage le vendredi 17 mars de 18h à 21h

Several responses are to be found in these documents and must be put into perspective.

From the perspective of equality and human rights, there are problems for those who are trying to access social and health services.

We have examined the question in this broad perspective.

The debate that Europe is engaged in around the aging demographic has added to this perspective.

Everyone that has come with a new, more balanced perspective on what is important.

The proposed Interim Population Policy aims to bring the fertility rate to up to 4.3 percent by 2020.

The crisis must also be seen through the perspective of time.

These clocks are shown in perspective, on a flat surface, one in front of the other.

The Ninth Plan announced a 20-year Agriculture Perspective Plan (APP) for to reduce the absolute poverty rate to 10%.

The exploration of the infinitely small structures opens up perspectives particularly attractive to homeopathic medicine.

His participation contributes to the deliberations of this committee by bringing the views and perspectives of the controlling shareholders.

Specific actions: support removing obstacles to mobility and to better the career perspectives of researchers in Europe.

Third, the authorities propose to put into perspective the evolution of logistical activity. In order to put these economic objectives into perspective, here are some comparative EU / US data points.

I think that helps us put things in perspective, as difficult as difficult as it is. The best execution rules are important in the wider perspective of market efficiency.

He must also be able to put things in perspective and remain as objective as possible for the good of his client

The bill is aimed to specifically make the military judicial system fairer, both from the perspective of the accused and the public.

We can participate in designing strategies and plans of action to respond to problems from a human rights perspective.

It is important to put things in perspective and not lose sight of the long term.

You can then offer your perspective on the topic to initiate the dialogue
